

Our Mission...

St. Joseph's Home exists to express the Roman Catholic Church's concern for the elderly in need of care and those chronically ill, thus expressing the healing mission of Jesus, and to provide this care as a health care facility.

St. Joseph's is committed to the total care of the person, including spiritual care, affirming the Catholic belief in the dignity of human life, and dedicated to the personal care of those it serves. As a member of the community of health care facilities, it is open to serving all individuals in need of its services.

We are as close as any
neighbor...

St. Joseph's opened its new home in
March 2006. It is located at 950 Linden
Street Ogdensburg, NY, just off Route 37
behind A#1 Buffet

Ours is always extended!

Respite Care Program

About the Program

The respite program gives families with the responsibility of caring for a loved one temporary relief from the tasks associated with care giving. The respite program specifically allows for an individual to have a prearranged short-term stay at the home from five to thirty days.

Families may be in need of respite for vacations, during medical procedures or recovery of the caregiver. It gives them a short rest period allowing time to regroup themselves.

This program is for individuals over the age of 18 who require 24-hour supervision along with nursing care and nutritious meals. It's also an opportunity for socialization with others which they may not have within their current environment.

There are two private respite rooms at St. Joseph's each with its own private bath. The occupants have access to all of the home's services including:

- three meals a day
- snacks
- housekeeping
- laundry
- religious services
- planned activities

Respite residents while staying at St. Joseph's will enjoy all of the services offered to our other residents including:

24-hour Nursing Care

The nursing department is directed by a New York State Registered Nurse, who is responsible for the daily care of each resident with the assistance of a staff of RN's, LPN's and Certified Nursing Assistants all under the supervision of a medical director.

Dietary Services

While staying at St. Joseph's Home respite residents are offered great tasting and nutritional meals. The food services department is directed by an experienced food service manager who oversees the dining and nutritional programs of the residents. The food service manager is responsible for providing nutritional meals and supportive services under the direction of a registered dietitian.

Full Line of Activities

We offer a full-service activities department which will help to keep each respite resident in our carefully active if they wish. Activities include music, reading, bingo, live entertainment and even access to computers.

Religious Services

A Catholic Mass is offered six days a week while for our Protestant residents a service is offered every Wednesday.

“Our program gives the caregiver a sense of comfort knowing that their loved one is being cared for in a secure, compassionate and home-like Environment.”

About Us

St. Joseph's Home located in the City of Ogdensburg, NY, is a not-for-profit, 82-bed skilled nursing facility, dedicated to providing its residents with a comprehensive program of medical, nursing, rehabilitation, spiritual and support services.

St. Joseph's is licensed by the New York State Department of Health and is affiliated with the Roman Catholic Diocese of Ogdensburg and is a member of the New York State Association of Homes and Services for the Aging - www.nyahsa.org
